PEAVEY VYPYR II VIP SERIES THE NEXT STEP IN TONAL VERSATILITY

You can't beat the versatility **Peavey's** Vypyr II VIP Series combo amps offer. Perfect for performing multi-instrumentalists, Vypyr II VIP amplifiers handle electric guitars, basses, acoustic guitars and other acoustic-electric instruments. Powerful onboard DSP provides access to numerous amplifier and stompbox models, and feature superior studio-style effects and processors onboard as well.

The Vypyr II VIP's advanced instrument modeling can make a typical electric guitar sound like a bass, 12-string, acoustic or other instrument.
