

## INDIE SCENE

## BIRDSONG AT MORNING

***Annals of My Glass House***

[birdsongatmorning.com](http://birdsongatmorning.com)

A lovely compendium combining Birdsong At Morning's four EPs, *Annals of My Glass House* finds the chamber folk trio gently ruminating on matters of the heart. Nick Drake's influence is obvious, but hushed covers of Blondie's "Dreaming" and the Rolling Stones' "Moonlight Mile" also prove revelatory.
