

## INDIE SCENE

## LOGAN VENDERLIC

**Logan Venderlic**[myspace.com/loganvenderlic](http://myspace.com/loganvenderlic)

This wordy West Virginian lets lyrics spill forth like Bright Eyes and Bob Dylan, but he hasn't forgotten those Blink-182 records he rocked in his youth. Hence the punky pep of "Blue Pills/Red Cups" and "Jerkwater Town"—heavy-subject folk with a wonderfully light touch.
