

INDIE SCENE

GRACE PETTIS

*Two Birds*

gracepettis.com

Landing somewhere between old-school country and Top 40 folk-rock, Pettis pens detailed songs about lovers on the mend and young musicians on the move. Through these vignettes, she offers glimpses of her own personality, revealing herself to be an observer and a dreamer—a winning combo.

‘Pettis pens detailed songs about lovers on the mend and young musicians on the move, revealing herself to be an observer and a dreamer—a winning combo.’
