HABIB KOITE AND ERIC BIBB

*Brothers in Bamako*

habibkoite.com

“Tombouctou” is your standard wandering blues—American bluesman Bibb and West Africa’s Koite have simply wandered very far afield. They’re caravanning through Mali, tracing the roots of modern music, and as with the other 12 songs, they hit on something fluid, uplifting and beyond time and place.

‘As Bibb and Koite caravan through Mali, tracing the roots of modern music—they hit on something fluid, uplifting and beyond time and place.’
